Hey! It's time for YOU to be an author! Make up your own character and choose from the lists below and write a story about their moving! What are they scared of? What do they like? How does the move go?

Right now, they live in...

- Norfolk
- a farm
- Jupiter
- Spain
- in the torch of the Statue of Liberty
- a pineapple

They are moving to...

- Mars
- a Skittle
- South Africa
- an old man's toe
- Virginia Beach

Once upon a time...
